

CARLYLE WELLNESS

THE ROAD TO WELLNESS STARTS HERE

While under Chiropractic care, many of our patients have experienced many different **side-benefits**.

The following is a list of the most common things that we have seen here at our clinic.

- Decreased pain
- Increased Energy
- Sleep Better
- Feel more rested
- Move more
- Move without pain
- Improved digestion
- Improved immunity
- Allergy improvement
- Think Better
- Breathe easier
- Decreased headaches
- Increased Vitality

CARLYLE WELLNESS

THE ROAD TO WELLNESS STARTS HERE

What to expect from me:

1. I will always give you specific and caring spinal adjustments to remove your nerve interference and restore optimum Health
2. I honestly care about you; your Health and I value your time.
3. I will make no recommendation for you that I would not recommend for myself, my family or my staff
4. Every effort will be made by my staff and me to help you in an efficient timely manner with appropriate attention, caring, and respect.
5. I am constantly undergoing continuing education to ensure that you are getting the best total healthcare available.
6. I will treat you as a whole person and not just a spine. I will impart knowledge about nutrition, exercise, supplements, stress management, and another ways to improve your health and the Health of your family
7. I will be a filter for you and your family for all questions you have regarding any health issues.
8. My staff and I are here for you

What I expect from you:

1. Follow my recommendations and make up any missed appointments within a week
2. Be prompt for your appointment as I try my best to run on schedule. If I happen to be a little behind, be courteous because I am giving another patient extra time that they warrant due to their condition. I would and will give you that same time if your condition warrants.
3. Your insurance is your insurance. We file it as a courtesy but you are responsible for your healthcare bill here.
4. If payment is not received from my insurance carrier within 90 days of the service provided, the balance will be your responsibility.
5. Prompt payment is expected for all healthcare services rendered. At no time can your outstanding balance exceed \$300.00
6. Please take all cell phone calls outside.
